ASPEN GLOBAL TO USE PROCEDURECAPTURE AS THEIR ALM/SDLC SOLUTION TO ENSURE THAT AS AN FDA REGULATED COMPANY, THEIR GXP SENSITIVE COMPUTER SYSTEMS FULFILL THEIR INTENDED PURPOSE.

Mauritius– January , 2015

South African-based Aspen is a supplier of branded and generic pharmaceuticals in more than 150 countries across the world. Aspen is a leading generics manufacturer in the Southern hemisphere and is Africa's largest pharmaceutical manufacturer and is ranked as the ninth largest generic company in the world .

Mauritius– January , 2015 - Raltus Software, the leading solution for validating computer systems, announced that Aspen Global Group recently selected ProcedureCapture as their ALM/SDLC global solution to ensure that their GxP sensitive computer systems fulfill their intended purpose.

ProcedureCapture is the only solution which generates conclusive and indisputable documented evidence and uses a single license for the whole SDLC lifecycle of :

- Requirements Management.
- Risk Assessment.
- Test Script Capture.
- Review and Pre Approval of Scripts.
- Paper and Paperless execution.
- Manual or Automated testing with Electronic Signatures.
- Defect Management and Tracking.
- Trace Matrices and generation of documented evidence.
- End user guides and training materials.

Paul Dawber, Aspen's IT Validation Manager commented that "We had been looking for a tool which will provide the following benefits for Aspen :- Increased return-on-investment from IT initiatives, increased accountability, improved compliance with regulations and reduction in the timescales for validation / change control."

Aspen Global demonstrates what customers are directly telling us said Ann Devine, Vice President of Marketing for Raltus – "ProcedureCapture helps companies significantly reduce the cost and resource burden of validating their computer system and this directly translates into a 40% decrease in the time to create test scripts and a 60% decrease in time to execute these scripts". Devine continued "We're pleased to work with Aspen Global and are proud to be able to make such a positive impact on their validation efforts".

"We conducted an in depth evaluation of all the major testing vendors and then scored and ranked them based on both integration and regulated industry requirements. We concluded from this that Raltus's ProcedureCapture scored highest, had the best functionality and delivered the best ROI for our needs."

Paul Dawber, IT Validation Manager Aspen Global
