FRONTIERBPM, A LEADING-EDGE (BPM) SOLUTION DEVELOPMENT COMPANY SPECIALIZING IN BUILDING COMPLEX BPM APPLICATIONS FOR THE LIFE SCIENCES AND HEALTHCARE VERTICALS, TO USE PROCEDURECAPTURE TO VALIDATE THEIR AGILE DEVELOPMENTS.

Pennsylvania US – November 2016

FrontierBPM is a leading-edge technology consulting and business process management (BPM) solution development company specializing in building complex BPM applications for the Life Sciences and Healthcare verticals.

They have significant experience delivering solutions such as: Patient Assistance Programs, Pharma CRM & Product Support, Aggregate Spend Management, Adverse Event Case Processing, Product Quality Complaint Management, Grant and Payment Processing Systems and more.

ProcedureCapture is the only solution which can be used to generate conclusive and indisputable documented evidence in Agile developments and uses a single license for the whole lifecycle of :

- User Stories.
- Risk Assessment.
- Session Based Testing Capture.
- Structured Testing Capture
- Paper and Paperless execution.
- Manual or Automated testing with Electronic Signatures.
- Defect Management and Tracking.
- Trace Matrices and generation of documented evidence.
- End user guides and training materials.

Russ Russo, Frontier's IT Quality Director commented that "We had been looking for a tool which will provide the following benefits for FrontierBPM :- Validation for our Agile Developments, ability to use for both SBT and Scripted testing, traceability between User stories, Acceptance Criteria and Tests."

FrontierBPM demonstrates what customers are directly telling us said Ann Devine, Vice President of Marketing for Raltus – "ProcedureCapture helps companies significantly reduce the cost and resource burden of validating their computer system and this directly translates into a 40% decrease in the time to create test scripts and a 60% decrease in time to execute these scripts".

"We needed a tool which could validate Agile Developments and still produce the Documented Evidence required in a Regulated Environment"
