

GORDONS CHEMISTS, IRELAND'S LARGEST INDEPENDENT PHARMACY CHAIN TO USE PROCEDURECAPTURE TO TEST AND DOCUMENT ITS NEW MICROSOFT ERP ROLL OUT FOR ITS WAREHOUSE DISTRIBUTION CENTER.

Banbridge— Ireland. January 2016

Gordons Chemists is a chain of more than 60 pharmacies, located in the UK.

Gordons Chemists is based primarily in Ireland, with a number of branches also in Scotland; the chain is Ireland's largest independent pharmacy chain. Gordons Chemists also operates an online ordering and delivery service for Health & Beauty goods, via its Gordons Direct website.

Banbridge— Ireland, January 2016 - Raltus Software, the leading solution for testing software applications, announced that Gordons recently selected ProcedureCapture to help test and document their Microsoft Navision ERP system to ensure that it works as expected and enables them to supply their shops and customers.

ProcedureCapture is the only solution which generates conclusive and indisputable documented evidence and uses a single license for the whole lifecycle of :

- **Requirements Management.**
- **Risk Assessment.**
- **Test Script Capture.**
- **Review and Pre Approval of Scripts.**
- **Paper and Paperless execution.**
- **Manual or Automated testing with Electronic Signatures.**
- **Defect Management and Tracking.**
- **Trace Matrices and generation of documented evidence.**
- **End user guides and training materials.**

Gordons demonstrates what customers are directly telling us said Ann Devine, Vice President of Marketing for Raltus – "ProcedureCapture helps companies significantly reduce the cost and resource burden of testing their applications and this directly translates into a 40% decrease in the time to create test scripts and a 60% decrease in time to execute these scripts". Devine continued "We're pleased to work with Gordons and are proud to be able to make such a positive impact on their testing efforts".

"ProcedureCapture is the only tool we have found which is will help with both our ERP testing and creating all our User guides and documentation."

**Mark Frizell
IT Manager
Gordons**
